Okla.

Rec'd laundry O.K. but where
was the brown dress?

It will be hard to send
anything now as there
won't be anyone here in day
time to receive, so unless you
have a chance to send it
with some one don't do it.

Virginia Lee called me
tonight & told me about
lending you \$2.00 so will
still send you \$5.00 & you are
to get you some kind of a
hat with the \$2.00.

It's late & I am sleepy.
So will say good night sweet
& try & write me over the
next 2 weeks. Daddy & Dorothy
will eat out in the evening
so she is looking forward to
the occasion with great pleasure.
We went to see Judy Garland
in Love Affair yesterday entire

Glad you are liking your
meals better.

Toodle do.

Mother.

Sunday eve

My Darling little girl. How I wish
you were home tonight and
lonesome for you. Dad & I went
to see Myrna Loy & Melvyn Douglas
this afternoon & enjoyed it. We
rushed home & got dinner & now
it's 5 o'clock & Dorothy has a
date with Buddy from Pauls Valley.
They are triple dating. She went
to the B.V.G. Playmate dance
Fri night & yesterday the Giddings
asked her to go with them to
the Game - wasn't that swell?
Of course she went.

I came home Thurs. night
& Fri. night Bill Schutts (remember
him) came out for dinner & then
again last night, starting off in
good fashion eh? However, he
wiped the dishes ha!

Honey you should see me
try to stick to my diet. I can't
eat anything I like. imagine

if you can. & I also walk
each day but I am not telling
how far!

Daddy told me to send you
your allowance on the 1st but I
forgot it. Be sure & get your
laundry in in time next wk -

Daddy also said he was
glad A & M. won yesterday.

There isn't any news so will
ring off. Grandma is still in the
hospital & will be another wk
I guess - she has gained 2 lbs -

Be good & write often -

your loving Mother

My ~~Dear~~ little Girl:..

Sunday night & I am
already for bed. Had my
bath & everything but want to
talk to you a little while.

Now don't get scared when you
read this. You know we have
this Group Ins. & as we are
sending Grandma to Hospital
tomorrow thought I would
go too & take some treatments
The place is called The
~~Hotel~~ Crowell Sanatorium
located 900 E. Central - just
a small affair but real nice
He is Mr. Harbors Dr. in
fact he Drs a lot of the Harbor
Longmire employees. The Robinsons
Mr. Highfill & I don't know
who all anyway he has
given me 2 treatments & I am
already feeling better, says
he can make a new woman

out of me - believe it or not ha!
anyway I thought it was a
good chance to try as it
won't cost me anything -
can you imagine such eh?
So when you see me again
I may be rejuvenated Oh Boy!
I really dread going it will
be so lonesome - and going
to take the radio & be a
fan. or something - also
a great reader ha!

Grandma is ever so much
better - Don't know how long
we will be able to keep her
over there. All the Gracie's were
over this evening - Isabelle's
Tommy was home for 4 days
last wk & they became engaged
believe it or not. However, the
wedding can't be until Spring
as they won't let the Officers
marry until that time. I think
he will be 1st Lieut. then -
